Observations

As a general rule, the marks of the modules obtained in an academic course are not maintained for the following courses.
Language Training module is pass or fail on its own, it cannot be compensated with the rest.
Failure to take one or more of the modules in the subject implies that the student will be evaluated in this/these module(s) as not present (absent).
Having passed the Language Training Module, to pass the subject “Skills, Values and Transversal Competences”, mean scores on the remaining modules must provide a value of, at least, 5.0 (Approved)

Observations for part-time students

Follows the same dynamics as presential students
