E-mail	antonio.santos@unican.es
Office	Edificio Interfacultativo. Planta: + 3. DESPACHO PROFESORES (330)
Other lecturers	

3.1 LEARNING OUTCOMES

- To think over the relevance of the images in the societies of nowadays.
- To think about the ways of seeing the world through images, designing educative strategies for improving the capacities of children in the act of seeing and understanding images.
- To develop positive and creative attitudes through audiovisual resources.
- To think about the formative uses of films and images in the study of Human Societies, considering its peculiarities and its problems.
- To design useful educative strategies and activities, based upon films and images, for enlightening the children in their construction of a social consciousness.

4. OBJECTIVES

- To develop a critic way of thinking through images, using films as a privileged tool towards the enrichment of knowledge.
- To strength the consciousness in our students about the invaluable possibilities provided by the films for increasing their cultural capital, mainly under pedagogical purposes.
- To be aware about the singularities of the Cinema as a synthetic art based upon many different sources and cultural arguments.
- To promote and to valuate most of the peculiarities which distinguish Cinema as a privileged tool for education, in the frame of the audiovisual culture as a whole.
- To think about how the Education in the Ways of Seeing provides useful arguments and knowledge, as well as many other ideas, feelings and emotions.
- To think about how the Education in the Ways of Seeing provides knowledge and develops a critical thinking, meanwhile it enlightens a democratic and universal diffusion of knowledge.

A personal work of research, interpretation and evaluation about the main goals.	Work	No	Yes	40,00
Cooperative work. Participation in the classroom and in the tutorial classes.	Others	No	Yes	20,00
TOTAL				100,00

Observations

EXAM

While making the writing exam, all the students will be allowed for using their personal materials, written and organized by themselves all along the course.

Moreover, the Board of the Faculty of Education has approved the following agreements related to orthography, plagiarism and citation rules:

ORTHOGRAPHY

We understand that all the university students have developed language skills in relation to oral and written expression. It is therefore an essential duty to respect and maintain the adequate use of the orthographic rules, including accents and punctuation, as well as the grammatical and lexical adequacy, in all the works and tests as an essential condition to pass the subject.

PLAGIARISM

In case of fraudulent conduct (plagiarism) of the evaluation tests, the qualification will be adjusted with the provisions of Article 54.1 of the Rules of Evaluation Processes at the University of Cantabria: 'The fraudulent procedures in any test or in any evaluation activities will deserve an automatic qualification of '0' in the subject'.

CITATION RULES

APA citation rules as a criterion for all academic work are assumed. Although these rules have different editions, as an initial reference we suggest to use the following citation link of the BUC:

<http://www.buc.unican.es/node/9388/>

Observations for part-time students

The assessment procedure for the partial - time students who do not attend regularly to the classes will consist of an examination and / or the elaboration of jobs demanded by the teacher, on the date established by the Faculty for the examination. Those students who regularly attend to the classes will need to pass the same assessment that all the students.
