The admission procedure for the academic year 2021/22

All degree programs have one starting date per year, namely **September, 1st**

Dostoevsky Omsu charges tuition fees from international students unless they receive the governmental scholarship carried out by Rossotrudnichestvo in the relevant representative office of Rossotrudnichestvo in the candidate's countries.

Each year, the Russian government allocates a certain number of state-funded places at Russian universities for international students who are willing to study in Russia.

You can find more information about HOW TO APPLY FOR A GOVERNMENT SCHOLARSHIP on the websites of the Ministry of Education and Science of Russia <https://минобрнауки.рф/> or Rossotrudnichestvo <http://rs.gov.ru/en> or on the websites of the Rossotrudnichestvo representation or the Russian Embassy in the candidate's country.

According to the legislation of the Russian Federation the documents issued in another country can be used (can be accepted by the Russian bodies and organizations) only with legalization. There are 2 types of legalizations – Consular legalization and Apostille. To learn more about the legalization procedure, please visit <http://nic.gov.ru/en/proc/nic/legalize>

www.omsu.ru

In order to apply for a degree program at Dostoevsky OmSU, you should follow these steps

Step 1

Prepare your application documents:

- scan copies of notary-certified copies of
- identity document – officially translated to the Russian language;
- a diploma or other education document issued by a foreign higher education institution - officially translated to the Russian language;
- a diploma supplement (including a transcript of completed subjects/courses) or a certified copy of a transcript of completed subjects/courses and passed exams - officially translated to the Russian language;
- passport size photo (3 X 4)

Step 2

When filling out the application form, you will need to

- upload the documents asked for in pdf format (see step 4).
- choose your level of education and where you plan to study (College, Bachelor's Degree or Specialist Degree, Master's Degree, Postgraduate Degree).
- choose the field of study that you would like to study. You can immediately choose three fields of study of Bachelor's Degree or Specialist Degree.
- Note that in each direction you can immediately choose to attend each field of study either part-time or full-time.
- There are no restrictions on the number of fields of study for applicants for Master's Degree or Postgraduate Degree.

Step 3

Take the entrance examinations conducted online. To manage online entrance examination, you must have a computer (laptop) with webcam and microphone.

www.omsu.ru

In order to apply for a degree program at Dostoevsky OmSU, you should follow these steps

Step 4

Fill in all the remaining information in the application. The system will ask you to submit a Confirmation of Enrolment. Please note that the Confirmation of Enrolment is submitted only to ONE university and only to ONE field of study before a fixed deadline. In 2020, submitting the Confirmation of Enrolment is equivalent to the original copies of your education document. By confirming the enrollment, you also confirm that within the academic year you will submit to the university the original copy of education document.

Step 5

Check again all personal data. If everything is correct, print out the application form and the Confirmation of Enrolment, sign these documents.

Step 6

Attach electronic copies of your documents an existing digital field:

- ♦ documents from step 4
- ♦ documents confirming your achievements, special rights;
- ♦ scans / photos of SIGNED applications (check the presence of all signatures).

Step 7

After processing of your Application, your data will appear in the lists of applicants.
