7. ASSESSMENT METHODS AND CRITERIA

| Description | Type | Final Eval. | Reassessn | % |
|--|------|-------------|-----------|--------|
| Moral dilemmas | Work | No | Yes | 30,00 |
| Group Teacher's Forum Theatre | Work | No | Yes | 30,00 |
| Problem Based Learning: Teacher case | Work | No | Yes | 40,00 |
| TOTAL | | | | 100,00 |
| Observations | | | | |
| <p>The appropriateness of spelling, lexicon and grammar in the work and examinations is essential condition to pass the subject.</p> <p>In academic work, the APA Standards will be used as a citation criterion (can be consulted in: https://web.unican.es/buc/recursos/guias-y-tutoriales/guia?g=28)</p> <p>With regard to a fraudulent behavior (plagiarism) in the evaluation tests, the qualification shall comply with the established on the Article 54.1 of the Rules of evaluation processes at the University of Cantabria. The fraudulent conduct of tests or activities evaluation will directly hold 0 on the subject.</p> <p>When the subject is not approved, because the minimum qualification required in one or more parts of the assessment has not been reached, the final quantitative grade that will be obtained by the student and that will therefore be included in the report, will reflect his performance in the whole of the different evaluation tests</p> | | | | |
| Observations for part-time students | | | | |
| <p>The assessment procedure for part-time students that do not attend class regularly is the single assessment, which follows the same method of assessment but works are individual and delivered the day of the exam. Those who attend class could opt for the same assessment that full-time students.</p> <p>A minimum score of 5 (out of 10) in each evaluation activity is also required.</p> | | | | |
