Observations

A very important part of the work is done in a practical way in class, so attendance is a basic requirement.

Group work requires the involvement and active participation of all members of the group, and this is an important aspect that will be taken into account in the evaluation.

The work and the exam will be recoverable when the student does not pass the course.

Observations for part-time students

Part-time students will be able to do their work individually and take the exam.
