Study cases,	Work	No	Yes	40,00
TOTAL				100,00
Observations				
<p>In the event that the minimum mark is not exceeded in any of the parts, the final mark will be the minimum of 4.9 and the average obtained by weighing all the evaluation activities. The marks of the approved parts will be kept until the extraordinary call</p> <p>During the make-up period (set by the university in September) students will take only those assessment tests that have failed. No results will be saved for later courses.</p> <p>According to the royal decree RD 1125/2003 on the European system of credits and the system of grades in official university qualifications and valid throughout the national territory, the results obtained by the student in each of the subjects of the curriculum will be graded according to the following numerical scale from 0 to 10, expressed to one decimal place, to which the corresponding qualitative grade may be added: 0.0-4.9: Fail (SS). 5.0-6.9: Pass (AP). 7.0-8.9: Notable (NT). 9.0-10: Outstanding (SB)</p> <p>In view of the uncertain situation that the social distancing measures established by the health authorities do not allow any evaluation activity to be carried out in the classroom for all the students enrolled, these can be adapted for development in a virtual way, mainly by using the MOODLE platform. If necessary, all the necessary precautions and actions will be taken to ensure the correct development of these activities.</p>				
Observations for part-time students				
<p>The same criteria of evaluation will be applied to the part-time students as to the full-time student, although the temporary distribution of activities may be adapted to the temporary conditions, when it is considered necessary.</p>
