Theoretical-practical partial exams.	Written exam	No	Yes	50,00
Participation in the development of activities in class.	Others	No	Yes	10,00
TOTAL				100,00

Observations

In case of not passing the subject with this evaluation method, the students will be able to take the final test on the date set at the beginning of the course by the Master's Directorate, which with a total estimated duration of 4 hours, is structured as follows shape:

-Final exam on the contents of the subject with a battery of questions and practical assumptions with a percentage of the qualification of 60%

-Preparation, presentation and defense of 15 minutes of a work on the teaching specialty of professional training that the student chooses with a percentage on the qualification of 40%

For all students for the evaluation instruments that are developed, the following will be taken into account in terms of spelling, plagiarism and content citation:

ORTHOGRAPHY:

It is understood that university students have assumed linguistic abilities in relation to oral and written expression. Therefore, the orthographic correction (spelling, accentuation and punctuation), grammar and lexical in the works and exams carried out as an essential condition to pass the subject is essential and obligatory.

PLAGIARISM:

Regarding the fraudulent performance (plagiarism) of the evaluation tests, the qualification will be adjusted to the established in the article 54.1 of the Regulation of the evaluation processes in the University of Cantabria: 'The fraudulent realization of the tests or activities evaluation will directly involve the grade of '0' in the subject '

CITATION RULES:

The Faculty assumes the APA RULES for all academic work as citation criteria. Attached is the BUC link:

<http://web.unican.es/buc/recursos/guias-y-tutoriales/guia?g=28>

Observations for part-time students

Those students with part-time enrollment who cannot attend a minimum of 30% of the face-to-face sessions will be summoned to the final evaluation test, (composed of a final exam and preparation, exhibition and defense of the mentioned work)

Prevailing in any case the regulations of the University and the Master specifically on attendance and evaluation.
