7. MÉTODOS DE LA EVALUACIÓN				
Descripción	Tipología	Eval. Final	Recuper.	%
Mid-term exam	Examen escrito	No	Sí	66,66
Final exam	Examen escrito	Sí	Sí	33,34
TOTAL				100,00
Observaciones				
<p>A minimum score of 3 (out of 10) is required for each exam. In order to pass the subject, you will need to get at least the minimum mark on all two exams. The evaluation will be in the classroom unless the situation does not allow it, in which case the exams will be done in a non face-to-face way through the Moodle platform.</p> <p>For students not passing the subject in the ordinary evaluation, there will be a make-up (resit) exam that will account for 100% of the grade.</p> <p>According to the internal regulations for exams in the Faculty of Economics of the University of Cantabria: 2. During the exam, the use and possession of any type of electronic device capable of transmitting and/or storing information (mobile phones, tablets, electronic agendas, computers, electronic translators) is banned, except for specific instructions prior to the exam, if this is required depending on the content. 3. Students shall refrain from engaging in or cooperating in fraudulent activities during the examination, including but not limited to: a) Copying by any means; b) Impersonation; c) Falsification of documents; d) Communication by any electronic means with the outside or inside of the classroom; e) Disrupting the normal order of the examination. In the event of failure to comply with point 2 or if any of the cases in point 3 are committed, the subject will be graded with a Fail (grade 0.0).</p>				
Criterios de evaluación para estudiantes a tiempo parcial				
Partial-time students will have a single written exam which will account for 100% of the grade
