<p>SCORING To pass the course students must pass both the oral presentation and the critical review . According to Article 35 of the Regulation of the assessment processes at the University of Cantabria, "if a student does not obtain the minimum mark required to pass an evaluation test, the overall mark for the subject will be the lowest value between 4.9 and the weighted average of all the evaluation tests".</p> <p>LANGUAGE ACCURACY It is assumed that university students have acquired linguistic abilities in relation to oral and written expression. Therefore, spelling, stress mark, punctuation, grammar and lexical correction in assignments and exams are an obligatory prerequisite to pass the subject.</p> <p>PLAGIARISM Regarding the fraudulent performance in exams and assignments, the final mark complies with the provisions of article 32 of the Regulation of the assessment processes at the University of Cantabria: 'The fraudulent conduct in exams or assignments will be graded as Fail '0' in the subject in the corresponding call, invalidating the marks obtained in all the assessment activities for the extraordinary call'.</p> <p>CITATION NORMS The Faculty assumes the APA STYLE as citation criteria for all academic work . Although there are several editions of these guidelines, a BUC link is attached as an initial reference: http://web.unican.es/buc/recursos/guias-y-tutoriales/guia?g=28</p>				
Observations for part-time students				
<p>These students are subject to the same assessment requirements as full-time students. However, according to Article 24 of the Regulation of the assessment processes for part-time students at the University of Cantabria, students may opt for taking a single final assessment. Such assessment will involve the completion of a final exam. In this case, they must let the teacher know this within the first two weeks of the semester by sending an email indicating their choice.</p>
