7. ASSESSMENT METHODS AND CRITERIA

Description	Type	Final Eval.	Reassessn	%
Final exam (test)	Written exam	No	Yes	60,00
Tutored works	Work	No	Yes	40,00
TOTAL				100,00
Observations				
In order to pass the subject it is necessary to obtain at least a 5.0 in the theoretical examination. If that rating is not reached, students can obtain a final maximum score of 4.9 once summed qualification. If the number of students enrolled is very small or if the health circumstances require it, the assessment tests could be replaced by the completion and defense of one or more tutored works. All the works submitted must be original and the use of materials that do not belong to the tutor without the corresponding reference in text or note, will automatically lead to the qualification of 'Fail - 0'				
Observations for part-time students				
Students who meet the requirements established by the UC to qualify under the part-time position may follow a single assessment process by conducting a final review of the whole subject .
