As a general rule, the marks of the modules obtained in an academic course are not maintained for the following courses. Language Training module is pass or fail on its own, it cannot be compensated with the rest. The final grade for the course will be obtained from the arithmetic mean of the grades obtained in the modules completed. Having passed the Language Training Module, to pass the subject "Skills, Values and Transversal Competences", mean scores on the remaining modules must provide a value of, at least, 5.0 (Pass)				
Observations for part-time students				
Follows the same dynamics as presential students
