### Observations

Grade 'not presented': when a student has not carried out evaluation activities whose weight exceeds 50% of the subject's grade, it will appear in his/her record as not presented. When the student has taken tests that represent the referred 50% or more, the corresponding grade will appear in the transcript of grades.

The evaluation may be conducted remotely if the health and academic authorities advise it.

### Observations for part-time students

Part-time students will be given the choice to participate in the following assesment system:

- Carry out a unique examination, this is, the 'Knowledge Examination' with will denote the 100% of the final mark.

To choose this modality, the student will inform to the teacher responsible for the subject at the beginning of the academic year
