Activity evaluation with Virtual Media Yes Yes 40,00	Written exam	Yes	Yes	50,00
Activity evaluation with Virtual Media Yes Yes 40,00	Activity evaluation with Virtual Media	No	Yes	30,00
Others Yes No 20,00	Others	Yes	No	20,00
TOTAL				100,00

Observations

The student may pass each block through continuous assessment. No attendance to final exam, obtaining a lower rating of 5 in the final exam or not performing any other training activity scheduled on the course, does not exempt him or her from being qualified according to the score obtained in the rest of the conducted and passed activities, that is to say, continuous assessment. The term 'no show' in the final grade for the course will be used only when the student has not performed any of the evaluable activities of the course and therefore he or her has not been examined in any occasion

Observations for part-time students

The student may pass each block through continuous assessment. No attendance to final exam, obtaining a lower rating of 5 in the final exam or not performing any other training activity scheduled on the course, does not exempt him or her from being qualified according to the score obtained in the rest of the conducted and passed activities, that is to say, continuous assessment. The term 'no show' in the final grade for the course will be used only when the student has not performed any of the evaluable activities of the course and therefore he or her has not been examined in any occasion
