3. COURSE CONTENT.

During this course the student will learn the very basic words and phrases of Polish in different everyday situations:

- greetings
- numbers – telling the time, prices
- most common phrases connected to studying: library, lectures, exercises, seminars, official functions, socialising, life on campus
- everyday practical situations: shopping, food, going to a café/restaurant/bar, buying a train ticket, concert ticket, movie ticket online

They will also get information about Polish culture and society:

- how do we talk to people (formal vs. informal)?
- national idiosyncracies

Basic information about the University of Poznań and possibilities to deepen the language skills while in Poland.

4. LEARNING OUTCOMES.

The student will learn how Polish works as a language, how to understand simple texts and find information in them. The student will also get practice in listening comprehension and learn how to correctly pronounce Polish. Moreover, they will learn about the very basics about Polish society and culture.

5. OBJECTIVES.

Practice of receptive skills and strategies needed to manage everyday situations in Polish and motivation of students to deepen their skills in Polish. To convey an understanding of culturally significant factors.
