Enter your email address and ID card number (usually your passport number or equivalent identification number you have provided as ID during the enrollment process).

*If your identity card/passport is too long, enter the last 11 characters.

An email with your username and instructions about
how to change your password will be sent to your e-mail address.

Go to: https://campusvirtual.unican.es/Identificacion/IdentificacionFrw.aspx

Log in with your *username* and new *password*.

Choose "Tarjeta TUI":

If your photo has been validated, you will now see an image of the card, as it will be printed.

Your student card will be issued and ready to be collected at the **Office for International Relations** upon your arrival.
